

PRODUCT DATA

CITRUS CLEAN G.T.

FLOATING SOLVENT, GREASE TRAP CLEANER AND DEODORIZER

- Non Acid
- Non Caustic
- Non Toxic
- Will not harm pipes or trap

CITRUS CLEAN G.T., emulsifies grease, fats and oils while it provides a deodorizing shield, giving off a fresh citrus scent.

It's **unique floating layer**, allows continuous cleaning action, irrespective of the level in the grease trap.

It's **natural formula**, contains no harsh caustics, acids, chlorinated benzene or toxic solvents.

Directions: Maintain a 1/2 " layer on the surface of the trap. Add maintenance dosage weekly, depending on usage. If trap is plugged or heavily loaded, a manual clean out is recommended, prior to use.

Note: Surface Area in feet (Length x Breadth of trap) X 1.2 = litres required for 1/2 " layer.
