

PRODUCT DATA

MULTI SAN

DETERGENT DISINFECTANT
A DOUBLE QUAT
GERMICIDAL CLEANER

PCP No. 21523
CLEANS, DISINFECTS AND DEODORISES

- Penetrating and Emulsifying action holds loosened soil in suspension.
 - Leaves no soap scum.
- Sanitises food contact surfaces on food processing, meat packing and dairy equipment.
- Destroys odour causing bacteria.

Controls

both Gram Positive and Gram Negative Bacteria. Including Pseudomonas Aeruginosa, Staphylococcus Aureus and Salmonella Typhosa.

Disinfects the viruses Influenza A₂ (Hong Kong Flu), Herpes Simplex and most Lipophyllic viruses.

Special ingredients help control hard water - helps eliminate spotting and streaking - prevents lime deposits.

Recommended for cleaning and disinfecting any surface where plain water can be used - floors, walls, woodwork, equipment, fixtures, ceilings, rest rooms and kitchen areas.

Use in schools, hospitals, industrial plants, restaurants, municipal buildings, day-care centres, hotels, motels, food processing plants, etc.

Highly effective even on marble and terrazzo.

Easy to apply - mix with regular mop water - effective even in hard water.

Consult label for additional application and precautionary information before using
