## *Paramount* Sealer Finish

- Holds up under extreme conditions**
- Resists scuffs**
- Low-maintenance**
- No sealer required**
- Responds to any speed machine**

**Paramount** is a one step sealer and floor finish designed for simplicity. It has excellent leveling properties and a durable "wet look" shine. It provides superb adhesion and wear qualities, even on the hardest floors. The finish/sealer is meant to get into cracks and crevices and to seal them in order to provide a level surface on which the floor finish will be built. Floors repair easily and resist scuffs, scratches and heel marks.

**Paramount** is compatible with conventional, high-speed, and ultra high-speed machines.

**Coverage:** Approx. 60 square meters per litre.
