**bathroom cleaner**  
using acid replacement technology

**ECOLOGO (Certified UL 2759)**  
**Hard surface Cleaners.**

Safe, viscous, powerful cleaner that cuts through scale, rust and stains without the use of hydrochloric, phosphoric, and other such acids.

No harmful fumes or vapours

This thickened, toilet bowl and bathroom cleaner contains detergents and compounds that quickly removes rust, scale, and hard water mineral deposits.

It clings to vertical surfaces, to provide more contact time for better cleaning action.

Read the Material Safety Data Sheet before handling this product.

FOR INDUSTRIAL and INSTITUTIONAL USE ONLY.
