Dear Mel:

Here's wishing you the best on your 20th Anniversary from all of us at Apex Sanitation Products.

In dealing with Multi-Blend Ltd. over the last 20 years, for both our private label needs and our other chemical requirements, we have found you to be reliable in both service and quality. Further your expertise in both developing products for our customer's specific needs, as well as being available to solve customer problems at their site has made us a better distributor.

We wish Multi-Blend continued success and look forward to continue working with you in the future.

Sincerely,
